OUTPUT:

The screenshot displays a web application titled "Personal Expense Tracker" with a small house icon. The main content is a "Registration Form" with a light gray header. The form fields include: "Email:" with the value "abc@gmail.com"; "Password:" with an empty field; a password requirements section stating "Please make sure that the password meets the following requirements:" followed by a list: "1. Minimum of 8 characters" and "2. Contains an upper case and a special character"; "Confrim Password:" (sic) with a masked field showing "*****"; and "Initial Wallet Amount (Rs):" with the value "10000.00". A green "Register" button is positioned below the wallet amount field. At the bottom of the form, a link reads "Already an existing user? [Login Here](#)".
